7. EVALUATING PERFORMANCE

The performance Plan (Annexure B) to this Agreement sets out-

- ✓ The standards and procedures for evaluating the Employee's performance; and
- ✓ The intervals for the evaluation of the Employee's performance.

Despite the establishment of agreed intervals for evaluation, the client may in addition review the Employee's performance at any stage while the contract of employment remains in force.

- ✓ Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan.
- ✓ The actions agreed to and implementation must take place within set time frames.

The annual performance appraisal will involve:

- ✓ Assessment of the achievement of results as outlined in the performance plan (Annexure B):
- ✓ Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
- ✓ An indicative rating on the five-point scale should be provided for each KPA.
- ✓ The applicable assessment rating calculator must then be used to add the scores and calculate a final KPA score.

8. ASSESSMENT OF THE CMCS

Each CMC should be assessed according to the extent to which the specified standards have been met. An indicative rating on the five-point scale should be provided for each CMC. The applicable assessment rating calculator must then be used to add the scores and calculate a final CMC score.

9. OVERALL RATING

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal. The Assessment of the performance of the Employee will be based on the following rating scale for KPA's and CMCs:

Level	Terminology	Description	Rating				
			1	2	3	4	5
5	Outstanding performance	Performance far exceeds the standard expected of an employee this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.					
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieves all others throughout the year.					
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.					
2	Not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan					
1	Unacceptable performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.
